

Our B4 Patients are saying...

“All the nurses were very nice and kind. There a few I’d like to mention because they were exceptional: Michelle, Candy, Katie, Josy and Belen. Awesome nurses and PCAs!”

“All my nurses and caregivers were angles, especially Bridget. I couldn’t have been treated better. Thank you all!”

“I was taken care of by all the staff, Nurses, PCAs, RTs, cafeteria and cleaning staff - everyone! I thank them all so very much!”

“Thank you to the B4-B staff: Kelly, RN: Luke, PCA. Day shift staff as well as the night shift staff - all were GREAT!”

“Amy YOU are the best! You will always have a place in our heart. Thank you!”

“Outstanding nurse named Gail on the night shift - my first night after surgery she was right on top of things.”
